Capability Statement

Core Mission

Camelot Administrative Services LLC, a Service-Disabled Veteran-Owned Small Business (SDVOSB), delivers expert healthcare consulting to improve program efficiency, compliance, and patient outcomes. We provide evidence-based reviews, case management, and rehabilitation program evaluations across hospital, home health, and skilled nursing settings.

Unique Capabilities

- PT-led clinical quality improvement for rehabilitation pathways and patient outcomes.
- Utilization review (UR) for rehabilitation programs including IRF, SNF, and outpatient services.
- Comprehensive audits: PT/OT/SLP documentation, coding accuracy, and compliance trend reporting.
- HIPAA-compliant workflows with secure EMR or encrypted data transfer options.

Differentiators

- 28+ years of clinical experience as a Physical Therapist and 12 years as a Healthcare Administrator.
- Small, senior-led team offering rapid response and customized deliverables.
- Certified SDVOSB/VOSB partner eligible for set-asides and teaming opportunities.
- Proven success securing TJC and CARF accreditations for multiple facilities.
- Fast turnaround: Standard 3–5 business days; expedited options available.
